

## 22<sup>th</sup> Research Camp Velenje 2010

Velenje, 7<sup>th</sup> July 2010

ERICo Ltd., Ecological Research and Industrial Cooperation Institute organizes an International research camp Velenje 2010. It is the 22<sup>th</sup> in a row and will take place between 17<sup>th</sup> and 26<sup>th</sup> August 2010 in Škale by Velenje.

We grouped the participants according to their wishes expressed in the application form. In the case, that there were too many or too less candidates for a certain group, we considered your second or third wish. Candidates can participate in following groups: chemistry, flora, fauna, energy, economy and theater.

### Accommodation and lodging

We will be accommodated in the school Škale, where we will sleep in classrooms on mattresses and eat in the school's cafeteria (breakfast, lunch, dinner). We will research in the school and nearby. During the camp we will organise also two one-day excursions around Slovenia.

We finish with the camp on Thursday 26<sup>th</sup> of August around 11 a.m., after the exhibition opening.

### Equipment needed

You need to bring with you clothes for ten days. Also bring along: a sleeping bag, trekking shoes, warm cloths (flis, coat, long trousers, caps, umbrella...), tick protection cream, sun protection cream with UV factor. It is useful to have with you also a booknote, pencil and a lamp. "Photographers", do not forget your cameras. You will need them in the field and by daily work in journalist group. Musicians, bring your instruments (the guitar, flute, violin...). Do not forget a CD with music; social life in free hours is an important part of the camp. Working hours on the camp are 9.00 a.m. - 1.00 p.m. and 3.00 - 6.00 p.m.

### Other information

During the camp time the journalist group will be preparing daily magazine and TV news, all important news will be published on web sites.
